

**SPARE PARTS 2011**

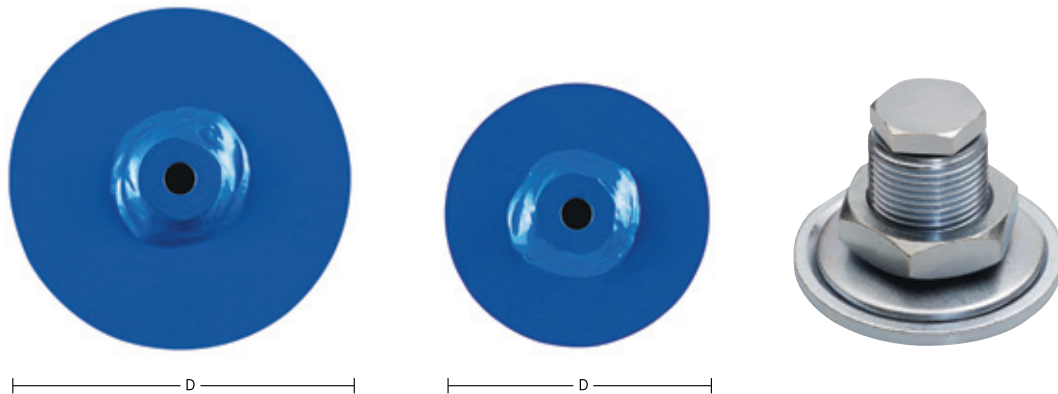

# Spare Parts

## Bladder Holders

ISO 9001:2008

- Galvanized/painted with anti-corrosion material

Product code	Diameter(D)/mm
H.0015.MA.0060	60
H.0015.MA.0065	65
H.0015.MA.0080	80

### Proposals:

- Please change also bladder holder, during the bladder change operation.
- Change your holder and bladder under the supervision of a technical service.
- Do not forget to apply the same torque value for the main screw as it was assembled in the factory.

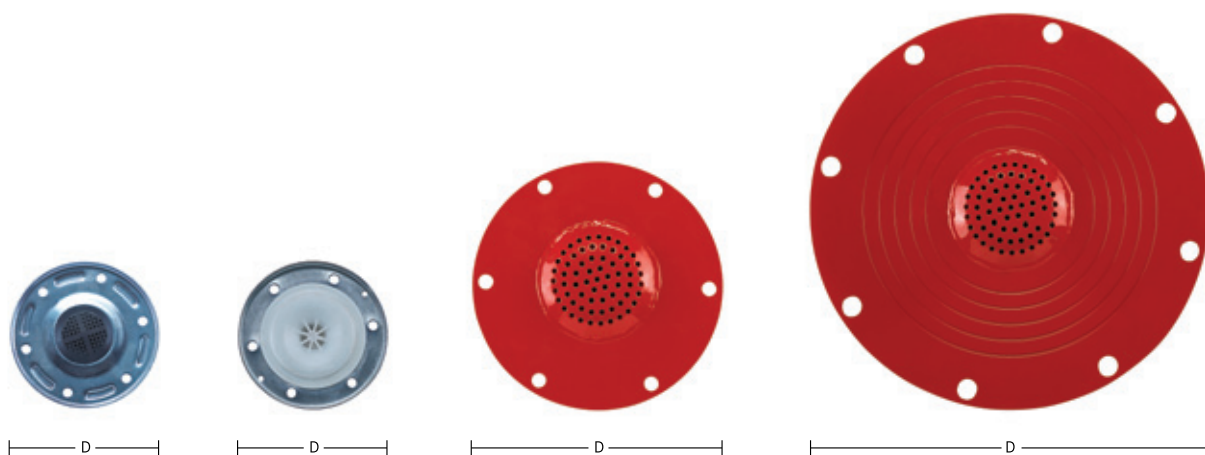

# Spare Parts

## Flange Covers

- Original formed shape
- Galvanized/painted with anti-corrosion material

ISO 9001:2008

### Proposals:

- Replace your bladder under the supervision of a technical service.
- Choose your bladder according to the table above.

# Spare Parts

## Manometer

- Metal body
- Traceability number
- 2 years limited warranty period
- Registered brand
- Proper coupling part

ISO 9001:2008

Product code	Pressure/bar
H.0012.MM.0001	10
H.0012.MM.0002	16
H.0012.MM.0003	25

### Proposals:

- Please change your manometer under the supervision of a technical service
- Please choose your manometer from our catalogue
